Meeting Opened: 6pm

Tuesday 1st July 2014 .

Chairperson: Daniela Pedrucci

Minutes: Daniela Pedrucci

Attendees: As per booking book.

Parents/cares: Anne Loechel and Jo Sanders.

Welcome

Daniela welcomed everyone to the meeting. Went through the minutes of last TNC meeting which was in April 2014. Daniela also went through the last Action Plan, each item had been actioned and Service Users were happy with the results. Especially with the new lights in bin area. No longer an OH&S issue.

Positive Round

Daniela and Bradley asked everyone to name 1 positive thing that that has happened to them this month. Responses included; Jennifer got 92% in her TAFE exam. Lachlan's twin sister was down for a visit. Carolyn likes Chinese & Choice night. Daniel enjoyed hop on/off bus trip. Anita is off to Woy Woy. Suzie is excited for her mum's 60th birthday this month.

Activities we have done in the last 3 months

We discussed and revised (using the programs) and picture's on the board the activities we had participated in over the last 3 months. Responses included; Chinese & Choice, Hop on/Hop off Bus Tour, Music Bingo, Football Game, Michael Jackson Show and Nelson Bay weekend away.

What is working? / What is not working? (Text and Visual Drawings)

What is working ?	What is not working ?
Staff and volunteers doing a great job. So are the House Committee.	No CD player/USB player in bus- Makes long trips boring when radio drops out. No back speakers.
Everyone is really happy with the Invoicing system and how it's made paying easier.	Would like some more sports equipment at TNC
Everyone loves Bradley! Everyone still loves Daniela!	New camera, current camera is too slow.
Joining the 2 groups (Out & About and Leisure Break) together for special occasions.	More variety of music at Disco.
Making lots of friends at TNC. TNC is like a big family and everyone is very happy.

Suggested Activities/Holidays

7 .Policy Review

Daniela went through the Cancellation of Activities Procedure. It was highlighted that when a Service User forgets to cancel an activity, staff do not have a chance to call someone from the Waiting List who really wanted to attend that activity. All agreed that this was unfair to people on the Waiting List and agree that it is important to contact TNC asap if they are unable to attend an activity.

Additional Information

Daniela discussed the changes of the NSW Disability Service Standards. There are now 6 and tonight we discussed 1- Rights and 2-Participation. Service Users were very interested and engaged in these discussions. Daniela will talk about 3- Individual Outcomes and 4- Feedback and Complaints at the next meeting in October 2014.

A copy of the 2 Standards discussed tonight can be found in the TNC TV room and more will be added as we go along.
